Why to Trade;

Shares Sahulat Account

Pakistan Stock Exchange has introduced a new simplified way to open a shares trading account named as “Sahulat Account”. Potential investors including students, housewives, freshly employed people and others can open the account using online channels. The starters or retails investors can now open Sahulat Account in PSX without submitting document of source of income. Through digital account opening facility by Abbasi and Company Private Limited, you can open your Sahulat Account without tedious conventional account opening process.

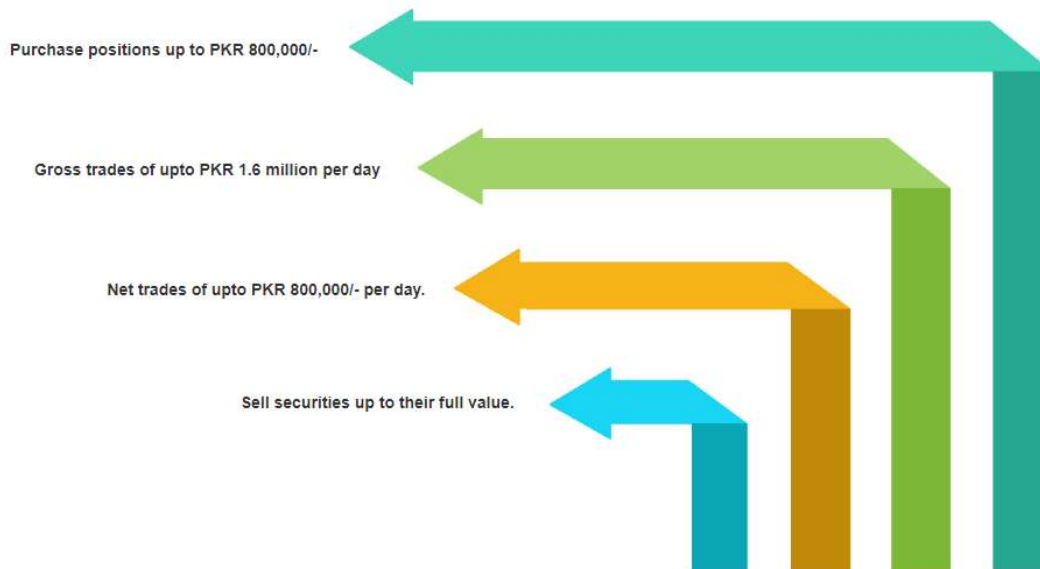

Requirements for Sahulat Account Opening

- CNIC of Account Holder
- Registered Mobile Number
- IBAN Number
- Mother Name

Main Features of Sahulat Account

The Sahulat Account enables investors to trade freely upto

Other Key Features of Sahulat Account

- Investor can only open Sahulat Account as single individual not as joint account.
- The Sahulat account can be converted into Normal Account any time by fulfilling the requirements of Normal Account.
- Investors can trade only in Ready Market. Trading in Futures Market is not allowed.
- If you have Normal Account then you cannot open sahulat account.
- In order to avoid unnecessary risk, trading in leveraged products like Margin Trading System, Margin Financing, Stock Landing Borrowing, and Negotiated Deals Market is restricted.
- You can trade shares online using online trading terminals and mobile app.

**BUY SHARES
ONLINE THROUGH**
